Sub: Request for Nominations for Class Room Training on "Cyber Security in Electrical Network"; 25-27 June 2025 at Siemens Power Academy, Goa - reg.

Dear Sir,

Greetings from Central Board of Irrigation & Power (CBIP)!!!

We are happy to inform that the Central Board of Irrigation & Power (CBIP), jointly with Siemens is organizing Class Room Training on the subject **"Cyber Security in Electrical Network"** on **25-27 June 2025** at **Siemens Power Academy, Goa**.

The above introductory training is being organized with a view to sharpening the technical skills of Engineers in the country. The following topics are going to be deliberated during this training program:

- Fundamentals of OT Security
- Cyber security for Smart Grids
- Standards & Regulations
- Designing a Secure Architecture
- Networking Fundamentals
- Tools and Technologies – Network Security
- Risk Identification & Management

In order to avail of this unique opportunity & to take maximum advantage of the introductory training, we request you to kindly consider deputing professionals from your organization to attend the above training. We are enclosing herewith a copy of the information bulletin of the program giving details about topics, registration fees, etc. for kind information, please.

It is further informed that we are able to accommodate a maximum of 24 participants in one batch in the training centre at Goa. The nominations will be confirmed on a first-come-first-serve basis.

We shall be grateful for your support & early positive response.

Thanking you,

Yours sincerely

Sanjeev Singh

Classroom Training on
Cyber Security in Electrical Network

Date: 25th – 27th June 2025

Venue: Siemens Power Academy, Goa

Organized by

New Delhi
ISO 9001:2015

In association with

SIEMENS

Supported by

BACKGROUND

Central Board of Irrigation & Power (CBIP) realizing the importance of competency development and with the aim to create large reservoir of highly qualified manpower in all fields related to engineering, technology & technology management has recently signed a MoU with Siemens Limited for jointly providing hands-on training to the professionals for skill development.

Hands-on training will help participants to explore and see the concepts working in the field. These trainings will help the participants to effectively perform with higher productivity and bridge the gap between today's industry demand of highly adaptive workforce and competency development needs thereby creating excellency in the industrial working. It is with above aim the CBIP is organizing a Classroom Training on "Cyber Security in Electrical Network" from 25-27 June 2025. The eminent faculties from Siemens Limited and other invited experts on the subject will deliver the presentations covering following topics:

- Fundamentals of OT Security
- Cyber security for Smart Grids
- Standards & Regulations
- Designing a Secure Architecture
- Networking Fundamentals
- Tools and Technologies – Network Security
- Risk Identification & Management

Venue for the Course: Siemens Power Academy, Goa

WHO SHOULD ATTEND

Users from power supply utilities and industrial enterprises who deal with the protection of power systems.

COURSE FEE

The duration for the training will be for 3 days. The event is non-residential. Participants will have to make their own arrangements for travel, boarding and lodging etc.

The registration fee will be Rs 30,000/- per participant + 18% GST shall be charged extra. The fee will cover the professional fees; site visit including Hands on/Demo in the Lab; working lunch; Tea/coffee/snacks during the course.

Registration shall be done on first come first serve basis. First 24 candidates will be registered for First batch, others in subsequent batches on the dates as per mutual understanding.

TO REGISTER

The participants, desirous of attending the above training may register themselves by sending the Registration Form to CBIP along with necessary payments. Participants are advised to bring GST No, of their organization along with name of office to whom the invoice is to be sent.

PAYMENT

All payments be made through cheque at par in favour of 'Central Board of Irrigation & Power', payable at Delhi or amount deposited/ transferred to HDFC Bank, CBIP A/c no. 00031110004411, MICR No. 110240001, Swift Code : HDFCINBBDEL, IFSC: HDFC 0000003, Address: 209-214, Kailash Building, 26 Kasturba Gandhi Marg, New Delhi – 110001 (CBIP GST No. 07AAAJC0237F1ZU)

After making of the payment online in respect of the event, the details like UTR/Organization name to be furnished immediately.

SIEMENS

Siemens has been a torch bearer to bridge the gap between academia and industry collaborating with academic pioneers to create a better India for tomorrow

The Right Infrastructure

- **Practical, hands-on training** is crucial for the professionals. Tailor-made **Lab Infrastructure Solutions** from Siemens ensures that the professionals are equipped with practical skills to address industrial applications.
- **Power System Labs:** Study the effect of protection devices and various equipment's on power systems.
- **Grid Simulation Labs:** Simulate an entire grid and monitor static and dynamic effects in real world applications.
- **Microgrid Labs:** Study the effect of multiple sources and renewable integration on the power systems.

Knowing the Industry

The best way to keep up with industrial updates is to have strong industry-institute partnerships.

Siemens Center of Excellence aims at setting up technology hubs at institutions with a focus on learning and close industry interactions via factory visits, hands on training etc.

Pragmatic Learning Approach

State-of-the-art lab infrastructures ensure that the professionals receive training, not only based on quality, but also on excellence.

Siemens Power Academy offers a plethora of in-person and web-based trainings to keep the trainee up to date. Power academy offers:

- High-quality programs with a high percentage of hands-on training.
- Standard and special training, workshops and training programs.
- Certified trainers, latest teaching and learning methods.
- Access to expert knowledge and long-term experience.

Classroom Training on Cyber Security in Electrical Network

25th – 27th June 2025

Siemens Power Academy, Goa

REGISTRATION FORM

(To be filled in block letters preferably)

1. Name : _____
2. Position : _____
3. Organization : _____
4. Address : _____
5. Phone : _____ Fax No. _____
6. Email : _____
