### **Office Memorandum** **(Supply Type Order)**

In pursuance of UPERC Tariff Order dated 10.10.2024, the revised Supply Type List for billing of electricity consumer in urban and rural areas in the DISCOMs under UPPCL is issued hereunder. The supply type order no. 05/मु०अ०(वाणिज्य)/वा०-1/-सी०-1 Dated 04.01.2023 and any other orders as may have been released previously in the matter shall stand superseded by this order-

Category	ST Code	Supply Type Description	Tariff Basis	ED Rates
LMV1	10A	Domestic Lifeline consumer having load up to 01 kW and getting supply as per 'Urban Schedule'	KWH	5%
	10B	Domestic (Other than Lifeline) consumer having load less than 10 kW and getting supply as per 'Urban Schedule'	KWH	5%
	11	Domestic Consumer having load 10 kW or more and getting supply as per 'Urban Schedule'	KVAH	5%
	17	Domestic (Other than Lifeline) consumer having load less than 10 kW and getting supply as per 'Rural Schedule'	KWH	5%
	17A	Domestic Lifeline consumer having load up to 01 kW and getting supply as per 'Rural Schedule'	KWH	5%
	18	Supply at single point for Bulk load (at least 70% Domestic Load) and MES (without domestic load restriction) having Load 50 kW or more	KVAH	5%
	19	Domestic Consumer having load 10 kW or more and getting supply as per 'Rural Schedule'	KVAH	5%
ST 12, 13, 14 and 15 have been discontinued. These ST will				

	remain effective for billing purpose but no connection can be mapped to these supply type through new connection or category change case. Billable consumer of these STs will be mapped immediately to new ST as applicable by divisions.			
LMV2	20	Non-Domestic consumer having load less than 10 kW and getting supply as per 'Urban Schedule'	KWH	7.5%
	22	Non-Domestic consumer having load 10 kW or more but less than 75 kW and getting supply as per 'Urban Schedule'	KVAH	7.5%
	24	Non-Domestic private advertising, sign posts, sign board, glow sign and flex consumer having load less than 10 kW and getting supply as per 'Urban Schedule'	KWH	7.5%
	24B	Non-Domestic private advertising, sign posts, sign board, glow sign and flex consumer having load 10 kW or more but less than 75 kW and getting supply as per 'Urban Schedule'	KVAH	7.5%
	24C	Non-Domestic private advertising, sign posts, sign board, glow sign and flex consumer having load less than 10 kW and getting supply as per 'Rural Schedule'	KWH	7.5%
	24D	Non-Domestic private advertising, sign posts, sign board, glow sign and flex consumer having load 10 kW or more but less than 75 kW and getting supply as per 'Rural Schedule'	KVAH	7.5%
	25	Power loom consumer having load up to 04 kW and getting supply as per 'Urban Schedule'	KWH	7.5%
	26	Power loom consumer having load up to 04 kW and getting supply as per 'Rural Schedule'	KWH	7.5%
	27	Non-Domestic consumer having load less than 10 kW and getting supply as per 'Rural Schedule'	KWH	7.5%
	28	Non-Domestic consumer having load 10 kW or more but less than 75 kW and getting supply as per 'Rural Schedule'	KVAH	7.5%
	ST 23 has been discontinued. This ST will remain effective for billing purpose but no connection can be mapped to this supply type through new connection or category change case. Billable consumer of this ST will be mapped immediately to new ST as applicable by divisions.			
	30	Un-Metered Public Lamps for Gram Panchayat	kW	20 % of FC
		Un-Metered Public Lamps for Nagar		20 %

LMV3	31	Panchayat & Nagar Palika	kW	of FC
	32	Un-Metered Public Lamps for Nagar Nigam	kW	20 % of FC
	33	Metered Public Lamps connection having load less than 10 kW in Gram Panchayat	KWH	7.5%
	34	Metered Public Lamps connection having load less than 10 kW in Nagar Panchayat & Nagar Palika	KWH	7.5%
	35	Metered Public Lamps connection having load less than 10 kW in Nagar Nigam	KWH	7.5%
	36A	Metered Public Lamps connection having load 10 kW or more in Gram Panchayat	KVAH	7.5%
	37A	Metered Public Lamps connection having load 10 kW or more in Nagar Panchayat & Nagar Palika	KVAH	7.5%
	38A	Metered Public Lamps connection having load 10 kW or more in Nagar Nigam	KVAH	7.5%
	ST 36, 37 and 38 have been discontinued. These ST will remain effective for billing purpose but no connection can be mapped to these supply type through new connection or category change case. Billable consumer of these STs will be mapped immediately to new ST as applicable by divisions.			
LMV4A	40	Religious and charitable trusts & Institutions having load less than 10 kW and a valid registration under Section 12 AA & 80 G issued by the Income Tax department	KWH	7.5%
	40A	Religious and charitable trusts & Institutions having load 10 kW or more but less than 75 kW and a valid registration under Section 12 AA & 80 G issued by the Income Tax department	KVAH	7.5%
	41	State Govt. or State Govt. aided institute (excluding Govt. Guest House & Hostel) having load less than 10 kW	KWH	5%
	41A	State Govt. or State Govt. aided institute (excluding Govt. Guest House & Hostel) having load 10 kW or more but less than 75 kW	KVAH	5%
	42	Central Govt. or Central Govt. aided institute (excluding Govt. Guest House & Hostel) having load less than 10 kW	KWH	NIL
	42A	Central Govt. or Central Govt. aided institute (excluding Govt. Guest House & Hostel) having load 10 kW or more but less than 75 kW	KVAH	NIL
		Guest House, Hostel of Govt, Semi-		

	43	Govt, PSU Organisations having load less than 10 kW	KWH	7.5%
